## DOCTRINAL STATEMENT

1. We believe the Scriptures, both Old and New Testaments, to be the inspired Word of God and the complete, total and final revelation of His will for the salvation of men and the divine and final authority for all Christian faith and life.
2. We believe in one God, Creator of all good things, infinitely perfect and eternally existing in a corporate Godhead composed of three distinct persons - Father, Son and Holy Spirit.
3. We believe that Jesus Christ was conceived of the Holy Spirit, born of the Virgin Mary and was the only begotten, incarnate Son of God who died on the Cross, in our place. By His resurrection He conquered sin, death and Satan. He entered the heavenly Holy of Holies to make the final offering for sin and all of its effects. Having sat down at the right hand of God, He has completed the work of salvation. There is nothing we can add to His finished work.
4. We believe all people are saved by grace through faith in the finished work of the Lord Jesus.
5. We believe the ministry of the Holy Spirit is to glorify the Lord Jesus, regenerate the repentant believer, guide the believer into all truth and manifest Himself in all believers to minister as the Lord Jesus would to men. We believe the Holy Spirit empowers all believers to live every promise of the Bible.
6. We believe all New Testament manifestations of the Holy Spirit are available to all present-day believers.
7. We believe righteousness is a free gift given to every believer. Therefore, every believer is qualified for all the promises of God and empowered to live in righteousness.
8. We believe God made peace with the world through the propitiation of the Lord Jesus. We believe that any person can participate in this New Covenant by faith in the Lord Jesus Christ. Therefore, all believers are delivered from the curse of the law and the wrath of God.

9. We believe the grace of God empowers the believer to live in righteousness and minister in the power of God.
10. We believe the believer and the church have a commission to make disciples of every person on Earth; therefore, we should equip all believers to fulfill their life's calling.

## **INERRANCY**

We believe that all sixty-six books of the Old and New Testaments are the inspired Word of God. We believe they are God-breathed according to 2 Timothy 3:16. No other book or group of books is a qualified authority for Christian faith, life and service. No other pattern of ministry, worship or conduct is acceptable for the born-again Christian. We believe the Lordship of Jesus is expressed through the written Word; therefore, deviation from the written Word is a departure from true Christian faith.

We believe the Bible, as spoken in the original language, is without flaw or error; therefore, all doctrine and interpretation must be dedicated to and consistent with the original languages as interpreted in their time.

Because Jesus and His priesthood are unchangeable (Hebrews 13:8, 7:24), we believe the New Covenant to be unchangeable. Therefore, the entire New Covenant as prophesied by the prophets, demonstrated in the ministry of Jesus, practiced by the early church and promised in the epistles, is in effect today.

## **STATEMENT OF PURPOSE**

Impact International School of Ministry has as its primary purpose the developing and training of men and women to successfully live life and to fulfill their personal destiny. While this is primarily aimed at those who feel called to the ministry, we feel it is excellent training for every believer who desires to live a productive, fruitful, Christian life. The principles that make ministers successful are equally successful in business and life.

Through our unique, interactive approach to training, we seek to inspire students to a healthy relationship with God through:

- A positive commitment to the Lord Jesus Christ.
- A Bible-based sense of self-worth.
- A relevant understanding of the Bible as the inerrant Word of God.
- A relationship with the Holy Spirit as the One who provides the power and grace to effectively live the victorious Christian life.
- Developing strong moral character and personal ethics.
- Modeling the ability and freedom to walk in love and build meaningful relationships.
- Establish believers in a ministry or business that overflows from personal character.
- The fulfillment of their life's dreams.

Our curriculum is designed to give the student insight into the basic meaning of biblical texts without the bias of preferential interpretation. Since the Lordship of Jesus is expressed through the written Word, we must allow the Bible to speak for Itself.

Our approach does not attempt to explain every verse of Scripture; instead, through the development of analytical and prayerful research skills, the student develops the ability to

personally and independently research and interpret the Word of God.

All courses are taught from the point of 1) an understanding of the cultural setting in which they were presented, 2) the context in which they were communicated, 3) the original language, 4) and practical application. The result is far more than an exchange of information, it is a transformation of life application!

Through the personal experience of the teacher, the environment of your healthy New Testament church and personal mentoring, the student has an opportunity to experience and apply what is being taught; thus the graduating student has much more than mere information. He has experience that puts him years ahead of the average Bible College graduate.

Since Impact Ministries is an international ministry, we are able to impart a world vision. We are able to involve students in world outreach, implementing proven methods of ministry.

Success in ministry is rare. Too many launch out only to fail at an alarmingly high rate. When one has a good knowledge of the Bible, he still needs personal discipline, highly developed people skills and the ability to walk in the grace of God. At Impact International School of Ministry we give you the opportunity for all this and more! This is preparation that you cannot receive anywhere else in the world. We will train you in the time-honored, biblically based, secrets of success and effectiveness.

A summary of our Statement of Purpose is quite simple: We intend to equip you to live a personal life of peace, victory and success out of which you will fulfill your life's dream.

## **FLEXIBLE PROGRAM**

The flexibility of an off-campus program makes the possibilities unlimited. A student can complete a degree in as little as two years if so desired. However, for the person with a job, a family and other responsibilities it can be extended to meet your personal needs.

The time spent obtaining a degree through traditional programs is often so long the student loses direction and drive. IISOM is set up on a six-week mini-quarter system that omits non-essential material, accelerates the pace and covers four years of material in two years for a full-time student. That's right, in as little as two years you could have an accredited Bachelor of Theology degree.

There is no value in cramming for tests or studying irrelevant information. Statistics show that the conventional way of teaching/learning is actually very inefficient. You are able to work at an accelerated pace because of our unique approach. The student hears the information, takes notes, is able to get online feedback or telephone input, review notes and get study guides before each test. Time is never wasted on non-essential details. What you study is exactly what you will be tested.

As a result of our advanced, interactive approach, our graduating students have traditionally scored 10-20 points above the national average for Master's level seminary graduates, on a Standardized Bible Knowledge Test.

# DEGREES AND CERTIFICATES

One of many great values in completing our program is the opportunity to earn a recognized, accredited degree. A degree adds a new dimension of recognition, prestige and acceptance to your ministerial and professional credibility. Many of our students have received employment and obtained raises and promotions in secular business because of a degree from IISOM. Besides receiving quality training and valuable life experience, you can earn a degree that validates the distinction of your accomplishments.

The following is a current list of certificates and degrees offered by IISOM. This catalog and all stated requirements are for the current academic year. All students should keep the catalog under which they enter IISOM. The requirements for degrees are fixed for four years from the time you begin taking your first class. This class examines the Old Testament types and shadows seen in the sacrifices, feasts and the priesthood. While developing your preaching style you will gain awareness of essential ethical traits relating to success. In this class you begin to develop more of your personal style of presentation.

CM 508 **CHARACTER, MANNERS, ETHICS AND INFLUENCE** (3hr) This course outlines the practical lifestyle of the believer and minister that gives credibility and influence to all they do. "When your gift exceeds your character, the gift becomes a reproach" (*JBR*). We want your life to be as appealing as your ministry gift. A life of character is the only assurance of a life of ministry success. This is a personal development course that makes your testimony believable.

## DEPARTMENT OF RELEVANT MINISTRY

RM 601 **DYNAMICS OF SMALL GROUPS - RELEVANT MINISTRY I** (3h) looks at the need for small group ministry. All people need personal support groups of some kind. Having overlooked this need, the church has left people without the essential support for victorious living and personal development. The result has been an over emphasis on professional ministers meeting needs that should be met through healthy communication and supportive relations. This is a study in the dynamics of small group ministry and facilitating. Special attention is given to the development of a new believer and the activation of the laity to service. Additional emphasis is placed on the small group as a place of processing and personalizing the message to which it is exposed.

RM 602 **SUBSTANCE ABUSE & DETOX -RELEVENT MINISTRY II (3h)** is a study in the dynamics of detox treatment utilizing methodology that is holistic in nature and more consistent with the biblical model of man as a spirit, soul and body. Special emphasis is placed on the connection between emotions and physiological functions of the body, especially the progression of negative emotions that accompany substance abuse. This class will prepare you to minister to one of the most crucial needs in our society. This class, along with clinical training, will qualify you for national certification as a Detox Specialist.

RM 603 **ADDICTIONS COUNSELING I - RELEVANT MINISTRY IV (3h)** is a course of study designed to provide a general introduction to Substance Abuse Counseling. This course introduces the student to the 12 core functions, 12-Step Program, pharmacology, ethics, rules and regulations, referrals and theory and dynamics of counseling. This course not only prepares the student for certification as an Addictions Counselor, but equips him/her to deal with the real issues of life which have traditionally been avoided or mishandled by mainstream Christian counselors.

RM 604 **CHURCH GROWTH – RELEVANT MINISTRY VI (3h)** gives a practical look into the principles and methods essential for reaching your community. We are called to reach the world. Many have been told to “just preach the Word and people will come,” but, it is not that simple. Even Jesus planned, organized, trained and sent out pre-crusade teams. If we are to reach the world, we must know how to reach them and keep them. We must understand their needs. We must speak their language. Even Jesus applied these simple principles.

This class will review the New Testament principles of church growth as presented in the book of Acts. It will also examine the current trends of church growth including the advantages of multi-sensory imaging. Special attention will be given to involving lay ministry and proper functioning of the house-to-house meeting.

## **DEPARTMENT OF BIBLICAL LANGUAGES**

BL 701 **GREEK I (3h)** is an introduction to orthography, the parts of speech and syntax of the Greek noun (cases, adjectives, definite article, preposition) and the syntax of the Greek verb (person, number, voice, mood, tense, infinitive, participle, adverb, conjunction and particle). Instruction in the use of the Greek Interlinear New Testament and the Analytical Greek Lexicon. This class will give you the skills needed to do biblical research as well as develop your language skills.

BL 702 **GREEK II (3h)** is a continuation of the study of syntax of the Greek sentence structure with emphasis on translation applications. This is a continuation in the refinement of your language skills.

## ACCREDITATION

Impact International School of Ministry is fully accredited with the National Private Schools Accreditation Alliance as an outstanding Academic Institution. This Fully Accredited Status demonstrated our commitment to the educational process and assures the public of quality educational programs.

## ACADEMIC REGULATIONS

The IISOM student is held to a higher standard of academic accountability in several areas:

1. The grading scale is more demanding than the norm.
2. All failed tests must be retaken. We want to make sure you learn all the information; our goal is to train you not fail, you!

Students should carefully consider how many courses to take at one time and setting your goals and intentions to complete a course in a specific time so you do complete the course.

## CHURCH ATTENDANCE

All students, who are not already in ministry positions, are encouraged to find a place to attend and serve in a local church. The local church is the setting where real discipleship is implemented. It is encouraged that you find a church that is seeking to implement a message that is consistent with the material you are learning. If you cannot find a local church you are required to view the cyber-church video each week.

## NON-DISCRIMINATION STATEMENT

Admission to IISOM is open to qualified applicants regardless of race, sex, or theological orientation. However the vast majority of the student body are in sympathy with the statements of faith and theological positions of this institution. Hostility toward our Statement of Faith and the Word of God is cause for dismissal from all IISOM programs.

## TESTING

Online students will complete all tests on line. Correspondence students will fill out their tests and return them to IISOM for grading. All tests should be taken at the appropriate time in the course, before moving on to the next class.

**In the event that you fail a test or homework assignment:** When a student makes below the acceptable grade for their program, he or she is charged must take the test until they pass it. If the test is not retaken the result is a 0% score. When an acceptable score is accomplished, only the passing score will be recorded for the student's permanent record.

**Receiving your grade:** All reports and assignments must be turned in before a final grade can be issued. All additional requirements must be completed within one week of taking the final exam to avoid a failing grade. When a student receives a failing grade for the course the entire course must be repeated.

## GRADING SCALE

All School of Ministry instructors are required to use the following grading scale. A high standard of accountability is required of staff and students alike.

### NUMERICAL AVERAGE QUALITY POINTS

A	=	98-100	4.0
A-	=	95-97	3.7
B+	=	92-94	3.3
B	=	89-91	3.0
B-	=	87-88	2.7
C+	=	84-86	2.3
C	=	80-83	2.0

Numerical scores for individual tests, as well as cumulative course grades below 80, are considered unacceptable work for undergraduate students, in which case the course must be retaken.

The following grades and notations are also used in the grading documentation system of IISOM

**INC** - Incomplete Coursework:

Under exceptional circumstances, a student may be allowed to extend the time limit for completion of all required coursework. The student has one week after the final exam to complete the coursework and the registrar will be free to assess any numerical penalty for the completed-late coursework.

**GRD** - Grade Report Delayed:

This signifies that coursework has been completed and submitted but evaluation is being withheld due to one or more of the following:

1. Failure to meet all class requirements.
2. Exceeding the time limits for the course.
3. Other violations of academic or personal integrity that are out of character with biblical standards of ministerial conduct deemed by the administration to merit disciplinary action.

## **ACADEMIC LOAD**

The equivalent to a full-time course load would be four classes per week, making it possible to complete a full quarter in six weeks. However, do not overextend yourself and set yourself up for failure. Taking longer to complete your course of studies is preferable to failing and giving up.

It is essential that you remember why you are taking this course of study and what you hope to accomplish.

## **SPECIAL STUDENT STATUS**

Students who do not meet normal admissions criteria may still be eligible for enrollment as a special student if approved by the Admissions Committee. These students may have a weak or otherwise inadequate background to normally pursue the programs of IISOM.

Continuance in the program of study is contingent on acceptable performance of course objectives and working an academic plan to remove the student's areas of weakness or needed academic credentials.

Students who conduct their lives in a manner deemed inconsistent with the moral and ethical standards of IISOM deemed unbecoming of a ministry student will be placed on special student status and will not receive a degree but receive a certificate of completion.

## **INTERNATIONAL STUDENTS**

IISOM accepts International students based on their ability to access the Internet and complete requirements. Also students of the Project One Billion Bible School program.

## **WHAT MAKES US DIFFERENT?**

Through IISOM, we offer one of the most unique opportunities for training anywhere in the world. Until now there were only two options: attend a denominational school and have practically no training in issues relating to the Holy Spirit or attend a "charismatic" school and have inadequate training in many of the practical areas of ministry. In either case, the end result was usually baptism in legalism.

Now there is a better way; an opportunity to earn a degree instead of a certificate, to develop a responsible, scholarly approach to the study of the Word, to recognize the place of the Holy Spirit in ministry, to have every course based on the New Testament foundation of grace, peace, faith-righteousness and unconditional love. We are the only school in the world that bases EVERY class on this New Testament foundation.

At IISOM we provide several options from the Certificates all the way through to a bachelors degree in theological studies.

Students who complete our training are ready to begin full-time ministry or enter the business world with confidence and competence. The principles of faith and success that promote victory in ministry are the same as those that work in every area of business and life.

This unique program utilizes a multi-experiential approach that includes nearly every form of training and experience:

**VERSE-BY-VERSE** teaching seems to be missing from many training programs, especially those with a charismatic-faith orientation. Yet, without this solid foundation in the Word of God the believer is inept at developing a consistent theology. At IISOM, twenty-nine books of the Bible are studied verse-by-verse with extensive references to the original languages. This is not a doctrinal study but a teaching format that allows the Bible to speak for itself.

**ORIGINAL LANGUAGE** studies help the believer avoid many of the doctrinal errors that are made clear in the original text. You will form the basic “know how” for serious research. Every course pays close attention to the message in the original language.

**TOPICAL TRAINING** provides a systematic examination of the important topics and doctrines of the Scriptures. The student can acquire an in-depth understanding of Faith, the Holy Spirit, Family Relations, Evangelism, Counseling, Substance Abuse and many other topics essential to effective ministry. In addition to Bible topics, instruction is offered in Communications, Practical Christianity, Successful Living, Administration and many other topics that help prepare you to meet the challenges of life and ministry victoriously.

**MENTORING** is a dying art; yet, it is the only way to actually develop disciples. This is the method Jesus presented in the Scripture and it is the method that produces the most significant results. The person already involved in ministry is able to immediately apply what is being learned to real life ministry application.

Jesus did not say that simply knowing the truth would set us free, He said, *“If you hold to my teaching, you are really my disciples. Then you will know the truth, and the truth will set you free.”* One translation says, *“if you put them in practice.”*

**RELEVANT MINISTRY DEVELOPMENT** is one of the most significant aspects of preparation, yet is found in few training programs. The twenty-first century leader must be equipped to meet the needs that are predominant in current society. The Department of Relevant Ministry provides a unique, cutting-edge for ministerial preparation. The coursework for Relevant Ministry focuses on areas of ministry particularly relevant to the needs of today’s society. It has a special focus on dealing with emotional and social dysfunction as manifested through trends of extreme codependency, substance abuse and sexual abuse.

The Department of Relevant Ministry provides special training that equips the leader to reach and minister to the needs of the community. It focuses on principles and methods that are currently working. It doesn’t matter what worked 20 years ago, what works today? At IISOM you learn what is working today!

## REFUNDS

From time to time, for a variety of reasons, it may be necessary for a student to withdraw from the curriculum. If a student should elect to do so, there will be NO refunds of any amount given.

If the student has passing grades and receives written approval for withdrawal, he or she may be able to extend the deadline for completion of the class. Each situation is determined on a case by case evaluation. A student may transfer from correspondence to IISOM on-line or vice-versa with no penalty.

Since stability and consistency are essential to success in ministry, we feel that students should make prayerful, quality decisions and then follow them through to the end.

There will be NO refund of registration fees, application fees, E.D.P. and correspondence payments, testing fees, or advance annual tuition payments. There are no refunds for students expelled for any reason.

Making good decisions and following them through is a part of being a responsible leader. Once you commit yourself to a decision, follow it through to a successful outcome.

## IISOM ENDORSEMENTS

There is no man of God in this area that I deem a more trusted man to teach this generation the Word of God than Jim Richards and the staff of instructors at **Impact International School of Ministry**.

We have seen the men who have applied their hearts unto the instruction offered at Impact become great vessels of honor who need not be ashamed, rightly dividing the Word of God.

Truly, God has raised up Jim Richards through his compassion and burning desire for the lost to equip men and women for service at **Impact International School of Ministry**. Jim has established what I have seen in no other school of instruction. The students are receiving the most intensive “hands on” experience; this, in itself, sets Impact apart.

Peck and I heartily support Jim in every area of his service to Him. We both believe any man or woman desiring to serve God would do well to invest in his/her future through the schooling at Impact.

*Benji Clark Mallory*

Jim Richards’ leadership training is incredible. Dr. Richards’ training in establishing the heart of a leader will transform every area of your life and belief system.

*Ron McIntosh, Dean of Students  
Victory Bible Institute*

I have personally been touched, as well as my entire church, by Jim Richards’ training. I have learned how to raise up leaders and how to develop people to live their dreams. It’s so good you’ll need a brain massage.

*Eastman Curtis, Senior Pastor  
Destiny Church, Tulsa, OK*

I am frequently asked to advise people regarding a choice of Bible schools and I always highly recommend **Impact International School of Ministry**. I know Dr. Richards and have seen his life of faith and dedication. This school he has established provides sound, biblical teaching and training for anyone who wants to go into Christian service.

*- Betty Baxter*

I thought I had relevant understanding of the Bible, God, Jesus and Religion. I found I was only existing between “will I ever be good enough” and living in the condemnation and guilt of a shameful past that said “I never would be!” Now through **Impact International School of Ministry** and its teaching of Faith Righteousness in the Gospel of Peace, I have a personal relationship with my Father, Brother and Holy Spirit within. I now have a purpose, to tell everyone I know about the unconditional love of God, and what Jesus has really earned for me.

## MEET THE PRESIDENT

*Hi, I'm Jim Richards, President and Founder of Impact Ministries. Over 40 years ago I was a drug using, rock n' roll hippie living "in the scene" in Huntsville. People were afraid to tell me about God. Back in those days the church was scared to death of hippies. I guess they all thought we were long-haired, Charley Manson-type murderers"or something. I was desperate to find God but I just couldn't get anyone to tell me about Him.*

*I actually went around to some preachers and asked for help. Some of them told me I was going to Hell. (I knew that. That was why I was asking for help.) Others went as far as to tell me not to get all worked up, no one was going to Hell.*

*For me, it was about a lot more than going to Hell. First, I was sick of me. I hated all that my life had become. I was mean, vile, angry and tormented. I wanted freedom from me. I wanted to know God. All of my life I had longed to know God. As a child I once asked a preacher to tell me about God; he told me I was too young. And yes, I wanted to avoid Hell.*

*Several times I overdosed on drugs and contemplated suicide. The one thing that stopped me was the reality that I would spend eternity in Hell. I was too miserable to live and unable to escape through death. So, drugs were my means of escape and relief.*

*I played in bands around Huntsville and the southeast but I was not a happy camper."I prayed continually for God to help me and to give me the power to change. This was very ironic since most of my friends thought I was an atheist. I guess when you're scum, people just think you don't believe in God.*

*I believed in God, I just didn't know Him. What I did know about Him was way too weird. I lived with various relatives who were Christians. Don't get me wrong, these were good people who were really good to me. But when they started talking about God, you better duck, because they were going to fight! I knew I didn't want what they had, but I still wanted God.*

*One day while driving to Athens to try out a new bass player for a band, Chris Stephens, a former Huntsvillian, who now owns a music store in Chattanooga, began to tell me about his cousin who got religion."Ernie, Chris' cousin, was a drug dealer in Atlanta. As Chris ranted and raved about how his blank-blank"uncle had got blank-blank"religion, he actually quoted Bible verses.*

*In the middle of all the profanity, I got enough truth to find out how to get saved. I let Chris out of the car and began to pray. I gave my life to Jesus and had a supernatural encounter with God. I don't know how to explain it other than to say it was a revelation of God as the Source of pure love. I didn't understand the theology, I just knew that Jesus died for me and that if I would believe on Him, God would give me a new life...and He did!*

*That very day I was set free of drugs and alcohol. My whole life changed! I've never been alone since then. God has been real enough to get me through everything that life can throw at you. I would love to tell you that I've done everything right since then but that would be far from the truth. I've walked with God. I've failed. I've even gotten in sin. But God never gave up on me. He's walked me through my stuff and loved me every step of the way.*

*I've been ministering for almost 30 years. In 1972, I got saved and went almost straight to the streets. I began winning the hippies and druggies to the Lord. I've seen God do great things in the lives of those who wanted Him. There's no one God can't help and there's no one He doesn't love. I've committed my life to helping people experience the love of God. If my life is a model for anything, it is the fact that God never quits on you.*

*No matter what you do. No matter where you've been. At anytime you desire to know God or come back to God, just stop running. Accept His love. Accept the fact that Jesus paid the price to set you free. Like my friend, Don Francisco, says in his song, I don't care where you've been sleeping. I don't care who's made your bed. I already gave My life to set you free. There's no sin you can imagine that is stronger than My love. It's all yours if you'll come home again to Me."*
