

DISC

HO-20

More About You

If you are a Steadiness manager or leader, your strengths may include that you are:

- A good listener
- Empathetic and sensitive to the needs of others
- Good with self-directed work teams
- Appreciative of your people and tell them so
- Consistent in your leadership style

Those you give work direction to may see the following limitations:

- Indecisive
- Indirect in your directions to them
- Hesitant to implement needed change

You can be a more effective manager or leader by:

- Becoming more assertive and direct
- Coping better with change
- Not carrying the burden of everyone's problems
